

## **TAKE AMERICA BACK FROM THE JEWS!!!**

**America is being controlled by the Jews. They are polluting the minds of our American government. How much longer will you stand back and let this happen? Will you let them destroy what your European ancestor built?**

**America sends BILLIONS in foreign aid to Israel and we suffer the consequences. That's what your tax dollars pay for! The American government complains that they are short of the money that is needed for education and social security funds!**

**THINK ABOUT IT!**
